

## **K. MARK MERRYMAN, P.E., LEED-AP**

### **PROJECT MANAGER**

#### **BACKGROUND**

Mark joined Haynes Whaley Associates in 1989 and earned the title of Vice President in 2008. He has over 20 years of experience in the planning and design of building structural systems.

Mark has served as the manager of Haynes Whaley's Austin office since 2000. He works with a group of engineers and drafting staff which work together continuously to assure high-quality design on each project produced.

Mark was the project engineer for the NASA Sonny Carter Neutral Buoyancy Laboratory which won the 1997 Texas Outstanding Civil Engineering Achievement Award by the Texas Section American Society of Civil Engineers.

Mark is certified by the U.S. Green Building Council as a LEED® (Leadership in Energy and Environmental Design) 2.0 Accredited Professional. This accomplishment recognizes his knowledge of sustainable design and the LEED Green Building Rating System.

#### **PROJECT EXPERIENCE**
